GEDA LADDER LIFT

Fast and easy installation without tools, the robust workmanship, the small footprint and the versatile application options of the GEDA Ladder Lift have already been popular with craftspeople from all sectors for decades. There is a reason why more than 90,000 items of the traditional product from GEDA have already been sold.

Special accessories enable virtually all types of materials to be transported upwards to the roof and into the building. Whether for bricklayers, interior fitters, roofers, tilers or floor installers, the GEDA Ladder Lift has the right load handling devices for any construction material and any application.

The GEDA Ladder Lift transports materials up to 550 lbs with a lifting speed up to 70 ft/min.

Technical data:

	550 lbs
	100 ft
